The selected curriculum should illustrate the following theological beliefs, consistent with the reformed tradition. If the curriculum doesn't follow these beliefs, please include an explanation as to why you have chosen the curriculum you have.

1. **All persons of the Trinity are included: God, Jesus, and the Holy Spirit.**
2. **God is shown to be a God of Grace.**
3. **Jesus is identified as fully human and fully divine.**
4. **The concept of serving God is explored through acts of serving humanity/creation, personal growth, compassion, and/or grace.**
5. **The curriculum identifies equality between all of humanity, not exalting any people or culture above another.**
6. **Salvation is identified as the way being made open through Christ, and/or allows for space and grace to be discussed and explored when discussing non-Christians or those without the capacity to understand salvation.**
7. **The curriculum is approved by the PCUSA or is authored/published by the PCUSA.**
