Programming

Adults: For the next few weeks, we will study Max Lucado's "Anxious for Nothing." This week's subject is "Present Your Requests to God."

In this video Bible study, Max Lucado explores God's promise in Philippians 4:4-8 and shows that while anxiety is part of life, it doesn't have to dominate life. As you follow God's prescription for worry – celebrate his goodness, ask for help, leave your concerns with him, meditate on good things – you will experience his peace. You can stop letting anxiety rule your day and find true calm and contentment in Christ.

Students: Our Senior High students are invited to join Stacy Kenyon and middle school students will join Melissa Broussard as they explore who God is and who God has called them to be. Senior high school students will meet in the parlor off of the fellowship hall. Middle school students will meet in the upstairs classroom in the fellowship hall.

PER CAPITA

Per capita is an annual per member apportionment assessed by the General Assembly (Book of Order, G-3.0106), and by many synods and presbyteries, to enable Presbyterians mutually and equitably to share the ecclesiastical and administrative costs of sustaining our witness to Christ through the Presbyterian Church (USA).

Where Does The GA Portion of My Per Capita Go?

- ◆ Discerning God's will together as a denomination
- ◆ Training Church leaders
- ◆ Engaging with those studying and preparing for ministry
- ◆ Supporting the call processes of churches through the Church Leadership Connection online portal and personal consultations
- ◆ Building connections with local councils
- ◆ Engaging local communities as neighbors through the "Hands and Feet" initiative
- ◆ Preserving and maintaining our history through the Presbyterian Historical Society which can preserve the minutes and other history of GSPC
- ◆ Attending to the covenant life of PC (USA) Book of Order, etc.
- ◆ Engaging in issues of justice through immigration and legal support
- ◆ Supporting and engaging in ecumenical and interreligious witness and relationships locally and worldwide.

2024 Per Capita is \$28.35 per person.
