Community Garden Update

We held a very productive garden workday on **Saturday, March 22nd**. Members of Trinity Lutheran, New Mercies, and Good Shepherd Presbyterian churches, along with other community members, came together in fellowship to prepare garden plots for planting and to pray for a successful growing season this year. All the garden plots are adopted this year with Trinity expanding to take the last available plot. New Mercies tripled their gardening area which adds fresh produce to their weekly food baskets for the neediest in our community. Planting in the garden will start in a few weeks. Come visit sometime and see how we're growing!

Do you know of someone for whom we can be praying? To have their name added to the prayer chain, please email or call Peggy Trettel at mugas7@bellsouth.net 770-925-0994 or Kristy Gordon at 770-380-8325 kgordo3@gmail.com.
