

Mission News

Thank you for opening your doors for our community health screening in your area. It is because of your generosity that Life Line Screening served **66** people. We could have screened a maximum of 80, so 66 is great! We are very appreciative and hope to work together again in the future.

Sincerely,

Kayleigh Bair
Health Service Coordinator - Life Line Screening

During the May 1st blood drive, we had a total of **24 donors**, 20 appointments and 4 walk-ins. The American Red Cross was very happy to collect **27 units of blood product** and commented on it having been a successful drive.

Songs and Sweets was not only a great time of fellowship but also raised \$1,652 which will be divided between Haiti Seeds of Hope and Stand Up for Kids. Thank you to all who attended and all who donated.

Dear Church Family,

I have SEVERAL cookbooks if anyone would be interested please give me a call. Also, next week is moving week. I can use help in packing and boxing things up. If you can help come on over.

This is a very bitter sweet move. I can't express how much you have all meant to me and Judy. From the first time we walked through the doors into the Narthex we knew we had found a home. The love and kindness has just grown over the years. All the prayers and cards when I've been in the hospital and especially when Judy passed. The support I have received has been so amazing. Thank you all. You are my family and I am going to miss you all. God bless you all or is that y'all.

Your Brother in Christ
