Chapter 7

*Finding Respite, Joy
and Our Identity in Jesus Christ*

Thank you everyone for coming out to Meet, Greet and Eat at City BBQ ! We had over 15 show up to eat, and I think most everyone enjoyed the food and fellowship! Be on the lookout for our next Meet, Greet, and Eat.

This month's Staff Spotlight shines on Accompanist, Victor Holton.
All About Victor!

Victor has been on staff at Good Shepherd as accompanist for about six and a half years. His most rewarding aspect of his position is getting to make music every week with a great group of dedicated singers. Victor began taking piano lessons at the age of seven and has been playing in church since he was 15. Victor also plays clarinet, sax and acoustic guitar.

When Victor has free time he enjoys traveling with Maranda. Favorite destinations are anywhere near a beach. A less adventurous pastime that Victor enjoys is baking and new kitchen creations. His motto is "You eat with your eyes first" so culinary artistry is big culprit of said free time. Victor also enjoys apocalyptic thriller movies and video games.

While he was manufactured in the Motor City, Victor hails from Thomasville, GA (30 miles north of Tallahassee, Florida). He studied music at Valdosta State University (Go Blazers!). Victor's 9-5 is a Patient Access Representative at Northside Hospital in Sandy Springs. The most memorable moment to date is having had the opportunity to perform on the stage of Carnegie Hall.

Maranda, traveling and baking aside, Victor's greatest joy is spending time with his grandchildren Journey and Amari. Two of the most energetic and entertaining toddlers you ever want to meet.
