## This month's Staff Spotlight shines on our wonderful Preschool and Extended Care teachers!

As the preschool Directors at Good Shepherd, it is our mission to provide an early childhood education that promotes a child's physical, intellectual, social/emotional, and character development, in a safe and nurturing environment. We do this by using developmentally appropriate curriculum and practices that will engage and challenge students.

We currently employ 42 staff with a myriad of credentials from master's degrees to CDAS. We also serve 137 students and their families at our school in our daily operations. This number fluctuates throughout the entire year, and our students' ages range from 1 to 12. This is because we offer both summer camp and afterschool programs for kindergarteners through 5<sup>th</sup> graders from 5 feeder schools in our area: Knight Elementary, Gwin Oaks Elementary, RD Head Elementary, Camp Creek Elementary, and Mountain Park Elementary.
