MISSION OF THE MONTH

Our GSPC Mission for the Month for June 2026 is Clifton Sanctuary Mission. It is a vital Presbyterian sponsored faith-based community short term shelter and temporary residence (Joe's Place) for Atlanta area men. Please review the attached handout which gives basic information on it and how you can assist. We have a long history of support for Clifton and many of you drop off food and clothing donations in the Clifton basket in the foyer outside the church Fellowship Hall. They currently have around 15-20 residents at the temporary shelter and long-term (3-6 months) Joe's Place housing facilities. They currently need: *Creamer & Sugar Packets, Paper Towels, Toilet Paper, Hand Soap, Dish Soap, Small Juice Boxes or Gator-aid Bottles and Men's XL or XXL Cotton Underwear.* Place items for donation in the Clifton basket in the Welcome Center. You are also encouraged to donate cash/checks designated for Clifton Sanctuary Mission in the Missions envelope on the church pew-back or place needed donations in the Clifton baskets any Sunday in June 2026. We are also planning on doing a special 2-3-hour project at the mission in the next few weeks (Saturday AM end of June). We hope to get 4-6 volunteers who can assist with this. Further details to come.

Thank you,
Owen C. Harris, Clifton Sanctuary Mission Coordinator

Lilburn Cooperative Ministry: This month the mission of the month was The Lilburn Co-op. We set a goal to raise \$800 and I am glad to say we surpassed that goal and have raised \$1,255! Thank you to everyone who donated and who has and continues to support the Co-op financially & prayerfully.

The Mission Team

Per Capita

YTD received: 1,410.94 of \$5,995 needed.
\$32.76 per person)

if you have a personal need or if
you would like to volunteer.

Haiti EcoVillage School Update from our Partners at MOUVEMENT PAYSAN PAPAYE (MPP)

The community of the Haiti EcoVillage School gives thanks for the partnership with the Haiti EcoVillage School Partnership in Atlanta.

The 2025-26 school year is going well. The students completed the third quarter at the end of April, and preparations are now beginning for the final examinations at the end of June and beginning of July 2026.

Our country is engulfed in chaos and many fear for their lives. Here at MPP we are happy to report the school has not experienced any major crisis or damage from the gangs. Even though the violence and insecurity continue to worsen throughout the country, each of our teachers has completed the curriculum successfully.

The partnership support has also allowed us to purchase teaching and educational materials for each grade, to construct and equip a new classroom so that each class now has its own room, to welcome and teach hundreds of students fleeing for their lives, and to provide shoes and backpacks to more than 100 students so they could attend school.

It is fascinating to see how much the students love school. They are consistently present, and their parents encourage them. They show great interest in school.

We believe that God will not allow our country to disappear; change will happen. For today the children attend school. The teachers provide the best lessons. MPP offers support to the struggling parents so children can hope for a better future.

Total students enrolled: 531

Students present for the 3rd quarter: 490

Absent or withdrawn students: 41
